AT GUY'S WEDDING BREAKFAST.

No man remembers such a happy wedding

breakfast. An American who was present

at a wedding breakfast was asked why the party

did not break up. "I guess he is too much

absorbed," said the ruthless ogre. In the

same way a man is "too much absorbed" in

the details of the wedding breakfast at

which he is the chief victim. He sits self-con-

scious, in glittering raiment and tight boots,

observed by curious bridesmaids, in the midst

of a hostile people. Surely a man's bride's re-

lations are, even now, a hostile people. They

are strange, they are critical, their words are

ways grate on the nerves of the doomed one.

Among many other relics of the savage period,

remnants of the past, the customs of the bride's

father is unconsciously well known to the bride-

groom, who loves him as a poet loves his pub-

lisher. Without him the bride, as without the

publisher the book, would have been impos-

sible. But for weeks and months this father has

been the patronization of "mistress" bidding. It

was under the auspices of gentility. The

PARAGRAPHS OF INTEREST.
